

Nature Dog Play & Train Classes

Tons of summer fun for you and your dog!

Yachats (Oregon Central Coast)

Classes held monthly throughout the summer.

Private events also arranged on request.

Call us for upcoming dates!

Dogs learn naturally through play, so these classes are all about having fun and learning at the same time! Your dog will have a blast, learning or brushing up on training skills and socializing with other dogs. Held on beautiful acreage in the Yachats River Valley, each class will include a variety of activities to exercise your dog's body and mind: nose work, nature games, hiking, swimming, creek paddles and more. The training methods we will use are reward-based, kind and effective. They motivate your dog to respond to you with enthusiasm, increase your understanding of canine communication, and strengthen the bond between you and your dog.

The classes will be held outdoors, with limited shelter. Rain or shine, come dressed for the weather.

Dogs must be nonaggressive, current on vaccinations, and flea-free !

COST: \$35 per class. Private events by arrangement.

INSTRUCTOR: Caroline Spark PhD

Certified Pet Dog Trainer, Certified Dog Behavior Consultant
